Address:

9 Bonhill Street, London, EC2A 4DD

Description:

The British Institute of Interior Design is the pre-eminent professional organisation for interior designers in the UK. Our growing national and international membership represents both the commercial and residential sectors, from heritage to cutting edge. In addition to rigorous entry requirements which assess training, experience and professionalism, we require our members to continue their professional development throughout their career to ensure their continued expertise in design process, practice and regulatory matters. The British Institute of Interior Design is the only professional organisation for interior designers which has been granted the prestigious and rare accolade of Institute status by the Secretary of State as the pre-eminent body in its field. The British Institute of Interior Design is committed to encouraging and supporting creativity and competence in the field of interior design through facilitating best practice, practical professional support, development
